

International Trading Manager

Reports to: Joanna Horton
Department: Trading
Location: Dallas, TX
Compensation: Competitive

Who are we? Our firm is one of the industry's top providers of institutional agency brokerage services and independent research. For over 30 years, we have provided agency trading and independent investment research products to investment managers and plan sponsors. We are an independently owned brokerage firm which allows us to address the diverse needs of fund managers, money managers and broker-dealers alike, while remaining objective and unbiased when it comes to providing the best possible execution services. We offer global equity and fixed income trading and are a member of the New York Stock Exchange, FINRA, American Stock Exchange, and SIPC.

Who is our ideal candidate? Currently, we are interviewing for an International Trading Manager. Ideally the candidate will have trading experience in all major international markets. They must possess strong technical skills with advanced knowledge of MS Excel, institutional brokerage experience & 1 to 5 years of management experience. Candidate must be able to work evenings and nights. Licenses required are series 7, 55, 63 & 9/10 or 24. CAPIS offers a competitive salary plus bonus. The position reports to the Director of Global Trading and will be expected to provide sales support through client interaction and 10% of time devoted to travel. Relocation assistance is available.

What else can we tell you? We offer a competitive compensation package that includes health and dental benefits, 401(k) plan, life insurance, long-term care and opportunities for professional growth.
