

Technology makes it work. **People make it happen.**

## **Capital Institutional Services, Inc. (CAPIS) Launches New Website**

**Dallas, TX – September 25, 2008** – Capital Institutional Services, Inc. (CAPIS) one of the industry's top institutional agency brokerages and independent research providers, has announced the launch of its new website, [www.capis.com](http://www.capis.com).

Reflecting the firm's new corporate slogan, "Technology Makes it Work. People Make it Happen," the site underscores CAPIS's unwavering commitment to client relationships and its keen focus on deploying the latest trading technologies. CAPIS is one of the few independent institutional brokers in the industry, and the new site highlights the firm's 30-year history of providing superior and conflict free trading and research solutions.

"As CAPIS celebrates its 30<sup>th</sup> year in the brokerage business, we are pleased to launch a crisp and streamlined website that reflects who we are and what we mean to our clients," said Kristi P. Wetherington, President and CEO of CAPIS. "Along with a new look, CAPIS.com is a great platform for us to communicate the value of our unbiased business model and provide clients with the timely and relevant information they need."

The site is organized around the global trading, research, commission management and compliance expertise that CAPIS offers its investment manager, plan sponsor and broker-dealer clients. It also features regulatory updates, an interactive research directory and the firm's thought leadership articles. An enhanced client log-in section provides secure access to next-day trade reporting and commission management tools.

### **About Capital Institutional Services, Inc.**

CAPIS is a leading independent U.S. institutional broker specializing in global agency trading and commission management for asset managers and plan sponsors. CAPIS has successfully developed and provided an array of brokerage solutions specifically tailored to the institutional marketplace since 1977.
