

For Immediate Release:

CAPIS introduces Concourse, a next-generation commission management portal.

New web-based tool designed to simplify account management
for institutional investors.

DALLAS, TX – May 26, 2010: Capital Institutional Services, Inc. (CAPIS) announces the launch of Concourse, CAPIS's exclusive web-based client portal designed for convenient access to client account information including invoices, payment tools, account statements, compliance documents and CAPIS's proprietary order entry system, TradeLink.

With Concourse, users can customize their main account page to manage their choice of a number of multiple account activity processes, all displayed in one main web page. Concourse offers easy-to-use modules such as account statement retrieval; invoice approval and payment requests; as well as transaction activity blotters.

"We are proud to offer our clients this innovative account management tool," said Kristi P. Wetherington, President and CEO. "Our goal in developing Concourse was to simplify our clients' commission management process while providing easy access to customizable account information and invoice tools."

Additional modules are planned for release this summer which will truly create a one-of-a-kind commission management portal.
