Records More than 25 Consecutive Years of Profits**

Dallas, TX – February 2, 2012 – Capital Institutional Services, Inc. (CAPIS), a leading provider of institutional brokerage and commission management services, today announced they have achieved more than 25 consecutive years of profits.

“In a time when brokerage firms are struggling to make profits, with some even ceasing operations, we are proud of the fact that we remain a profitable firm,” said Kristi Wetherington, President and CEO. “Our success can be attributed to the way we have operated our business since being founded in 1977 - CAPIS holds no long-term debt, does not make risky business decisions, and maintains net capital greater than 50 times the regulatory requirement.”

Additionally, Ms. Wetherington says, “for the past 35 years, we have operated CAPIS in a conservative manner which has allowed us to achieve consistent profits and remain financially stable.”
